

Icecave under Glacier

Snowshoe trip with icecaving

We walk for about half an hour to the foot of the Glacier and do a Mountain hike for 30 minutes before we arrive entrance cave. In the moraine you can experience an underground world with caverns, narrow passages, long tunnels and thick layers of ice crystals. The tour is moderate demanding, and is not suitable for people who suffer badly from claustrophobia.

The tour lasts about 4 hours.
